SEEK TO CREATE FIVE MAN BOARD FOR

On Infantile Paralysis Jackson, August Creation of five-man board of chiropractics examiners for Mississippi will be sought at the next session of the state legislature.

Dr. R. Tyer, local chairman of a legislative committee representing the Mississippi Chiropractic Association, said here today Paralysis. that he has high hopes that the measure will be approved.

Under terms of the act, the governor will appoint five persons of good moral character who have been continuously engaged in the practice of chiropractic in this state for at least five years.

However, the board members must have been graduated from chartered chiropractic school or

would have authority to adminisalso adopt reasonable rules and regulations for operational pur-

in Jackson as the capital city.

tion rests.

bined with necessary limitations on patient aid in the beginning

Mr. O'Connor explained. The limitations result from the enormity of the patient care problem: At least 11,000,000 persons have arthritis and rheumatism; 250,000 children are born with significant birth defects each year (excluding birth injuries); an estimated 150,000 persons who have had paralytic polio still will require some assistance in the years ahead.

LEGAL NOTICE

C. O. DUFOUR Town Clerk and Secretary. 7|17|4t.

THE PACE IS FASTER BUT THE WHEEL ENDURES

The surging horsepower of the modern motor has replaced Old Dobbin. The wheel is now encased in a pneumatic tire. But the basic principle of the wheel itself remains unchanged. It is still the best means of land transportation. Likewise,

have we kept pace with all the improved techniques of banking precedure. But the basic prin-ciple on which we conduct this bank remains the same faithfuly to serve the best interests of our
